—Working to End the COVID-19 Pandemic and Ensure “Safety and Security”—
Donation of COVID-19 Vaccination Support Funds
to the Governments of ASEAN Countries

As part of its efforts aimed to end the COVID-19 pandemic and ensure “safety and security” in the local communities, Aeon will make a total donation of 350 million yen as support funds to promote vaccination for COVID-19 to the governments of ASEAN countries where the AEON Group operates.

Aeon is engaged in the retail, financial services, and services businesses with an aim to contribute to enriching the lives of the people in ASEAN countries and their sustainable development. Restrictions on people’s movements and slowdown in economic activities have continued in ASEAN countries affected by the spread of COVID-19, and the purpose of the donation is to use the funds to facilitate COVID-19 vaccinations being promoted by the ASEAN governments and thereby help take measures against disease control and recover the economy.

As for Indonesia, the total contribution from AEON Group will be 50 million yen, including 15 million yen from AEON Mall Co., Ltd.

Based on the Aeon Basic Principles of “Pursuing peace, respecting humanity, and contributing to local communities, always with the customer’s point of view as its core,” Aeon will continue making collective Group efforts to end the COVID-19 pandemic as soon as possible and restore security and peace in the daily lives of local communities.
